

## TRUE CHANGE BEGINS AT HOME

Whether it's answering the call to address childcare, therapeutic programming for kids with disabilities or early childhood development during an unprecedented crisis or meeting the ongoing demands of our neighbors in need, United Way of Greater Kansas City is committed to helping those in our community who need it most. With the help of donors like you, we're proud to have created the area's farthest-reaching network of support. Which means your generosity will have the greatest impact possible.

Right here in this remarkable city we call home.
